

BE INSPIRED !

Welcome !

Be inspired, belong to a group of likeminded friends. Give back to the community and enrich the lives of others.

The Order of the Eastern Star Australia is one of the largest worldwide organisations of people with shared beliefs and moral values. We are committed to sharing, learning and community service. We enrich our lives by helping the community and each other. We believe there is a higher purpose for all of us, for all of humanity.

We are a friendly, welcoming and positive organisation. We believe in helping others, being passionate about what we do and most importantly, having fun.

Our Mission

Our Mission is to provide a means by which fraternal and community relationships can be encouraged and improved.

Our Vision

Our Vision is to work for the betterment of our community and for each other.

We live our vision by encouraging our members to:

- ★ Work for the benefit of the community, extending generous support for charitable purposes;
- ★ Respond to the needs of others and give assistance in adversity and support in the practicalities of day to day living;
- ★ To live life enhanced by Fidelity, Constancy, Purity, Hope and Love;
- ★ Enjoy the social activities of the Order and the interaction with each other;

- ★ Be honest and truthful in dealings with each other.
- ★ To live a life that is a reflection of the principles taught in the lessons of the Order of the Eastern Star.

Charity Work

A key part of belonging to the Order of the Eastern Star is giving back to the community and enriching the lives of others. We take great pride in our charitable work with donations to various organisations and assistance given to the victims of State and National disasters over the years.

Each year, in some of our Chapters, the Worthy Matron nominates a Charity which benefits from fund raising activities during her Term of Office. Other Chapters choose to support the community as the need arises. The raising of monies for Charity, and the distribution of it, is all bound by each State or Territory's gaming rules and regulations as set out for Not-for-Profit Organisations.

Capital Chapter No 52

Capital Chapter No 52 meets on the 4th Saturday at the Northside Community Centre. The Chapter was formed in November 2016 after the amalgamation of Canberra Chapter and Fraser Chapter.

We are a happy Chapter dedicated to doing whatever we can for Canberra and the communities in this region. This year, we are very pleased to be

supporting **HeartKids** who take care of the families of children in this region that have heart disease, be it congenital (born with) or acquired.

If you would like to know more about the Order you can visit our Website at www.oesaustralia.org.au or talk to one of our members here today.
