THE CHRISTMAS STAR

Christmas is a magical time,
For the young and also the old.
The season brings much to see,
And so many stories told

The biggest story of the season
Is of the Christmas Star
Sitting out on Christmas Eve
We are reminded who we are.

Christmas is about one thing
Not presents or of toys.
Christmas is of joy and peace
And happy family noise.

Christmas is the spirit of happiness
And being with those you love
It is a time to give thanks and show your love
And, in times of need, look up above.

Christmas became because of one
And we have him to thank.
Next time you see that star shine bright,
Say a prayer for Jesus sake.

The Christmas Star is a presence
One in which we thrill.
Although it seems impossible now,
He stands amongst us still.
Julie Herbert... 2012.

**Wishing you and your family a Joyous Christmas
And a Happy, Safe and Prosperous New Year
filled with Peace and Good Health.**
