Subject: UNITED GRAND CHAPTER OF AUSTRALIA Order of the Eastern Star. National Disaster Fund.

Dear Margaret my wife Madalen and myself would like to thank your organisation for the extremely generous and thoughtful donation of \$2000 we have just today recieved in the mail. I would imagine my dear Auntie Norma ~~Patna~~ (my late mothers twin sister) from Queensland has been the connection that has enabled us to be the beneficiary of your kindness. Norma is a member of Beenleigh Chapter No 199 OES. Whilst it has been a difficult time for us to be sure such profound acts of humanity as your organisation has displayed has humbled us both deeply and given us a deep faith in the fundamental goodness of the community of the Australian people. Forward Madalen and i travel ensconced within the caring arms of good and worthy people. Such a blessing. Our sincere thanks Margaret. Howard and Madalen

Dear Margaret,

Thank you for
your thoughts and for the
\$1500 check.

It is most acceptable
at this time. I am lucky
to have found a nice little
place but of course spending
from scratch is hard.

Thank you again
yours sincerely
Jerry

Dear Mrs Deary,

I would like to express my
sincere appreciation for your kind donation. It
greatly assists. It will help the remainder of
all the little things extra that you don't realize
you need until you go do something.

I also apologize for my tardiness in thanking
you for your thoughtfulness but I have just
arrived home after having a brief replacement.

Thank you once again for your help.

Yours sincerely,

Jerry

**United Grand Chapter of Australia
Order of the Eastern Star**

c/ Blanche Watt
Most Worthy Grand Matron

Dear Blanche,

Nature Foundation sincerely thanks the United Grand Chapter of Australia – Order of the Eastern Star for your generous donation to the Wildlife Recovery Fund.

100% of funds raised will go directly to priority recovery activities. Sound planning, good science and local advice will ensure that funds achieve the best possible outcomes for threatened and vulnerable species.

We are truly inspired by your remarkable generosity and the heartfelt contributions from all of your people and supporters today to help re-establish habitat for wildlife in our bushfire devastated areas.

To date a total of approximately 274,000 hectares have been burnt in South Australia.

The regions that have been most affected include:

Kangaroo Island – 214,000 hectares

South East – 30,000 hectares

Adelaide Hills 25,000 hectares

Yorke Peninsula 5,000 hectares

Thankyou again for your contributions which will truly make a significant difference to native animals and habitats in SA!

Yours Sincerely,

Patrick Mentzel
Philanthropy Coordinator

Certificate of Appreciation

to

United Grand Chapter of Australia
Order of the Eastern Star

For your contribution to the Wildlife Recovery Fund.

Hugo Hopton
Chief Executive Officer
Nature Foundation
