From the desk of the Worthy Grand Matron.

Dear Sisters and Brothers,

Well, what a delightful time the Worthy Grand Patron, Brother Graham Smith and I have enjoyed sharing with friends of our wonderful Order since our Installation in March. How time has flown as it just seems like last week our members joined us for a very special day.

Our Installation would not have been as successful without the presence of so many members, family and friends. Our Social Secretary Sister Joan Smith and her band of helpers did such a lovely job and our Past WG Matrons, Past WG Patrons and Grand Office Bearers have supported and helped us at every corner.

We have visited Queensland to witness their Grand Chapter Installation. At the 17th Biennial Session held in Adelaide last month we witnessed the Installation of Sister Blanche Watt, MWG Matron and Brother Paul Smith, MWG Patron of the United Grand Chapter of Australia. We so enjoyed the company of visitors from all states and overseas jurisdictions.

With the assistance of the Grand Chapter Office Bearers, we have conducted our Annual Official Visits to Bathurst, Lithgow, Goulburn and Capital Chapters. We have been extremely impressed with the presentation of the Ritual, the Chapter Members and the Inspection of the Books of each Chapter. They are all to be commended for such fine work and we have been privileged to witness Initiations of new Members and Affiliations of Members from Dormant Chapters as well.

We thank the Chapters for their Invitations to visit and look forward to sharing time with the members at both meetings and social functions. The Grand Chapter has been welcomed with wonderful verses and donations to our Charity – Macarthur Cancer Therapy Centre, and we cannot thank you enough for your generosity.

Our Grand Luncheon held at Maso's Club was enjoyed by all those who attended and we thank you for sharing the day with us. Our Grand Lodge performers organised by Brother Ian Cox, Grand Director of Music were outstanding and we thank our Worshipful Brothers; Tenor - Alex Parker, Bass - Vic Mamourian and Accompanist - Russell Littlefair for their time. We thoroughly enjoyed their entertainment and company on the day.

We have enjoyed sharing Chapter meetings and Social events with our WDG Matrons and WDG Patron and look forward to more of the same. We thank them for all the courtesies extended to us.

Our Grand Ball will be held at Liverpool Catholic Club on 31 August and we look forward to seeing as many as are able to be there. Accommodation is available at the Mercure Hotel attached to the club remember to ask for your OES discount if staying over. We are asking for flower girls and pageboys to share our night, so if you have any grandchildren or great grandchildren please contact me.

Sister Lorna Dunkley - Worthy Grand Matron. Brother Graham Smith - Worthy Grand Patron.

GREETINGS FROM THE MOST WORTHY GRAND MATRON

Dear Sisters & Brothers,
This is a twofold article – as MWGM and the Secretary of the South Australian Steering Committee.

It is now just two weeks since I was installed as your Most Worthy Grand Matron and Brother Paul Smith as your Most Worthy Grand Patron. I think it has taken almost that long to catch up on sleep and slow the brain down and think clearly.

For those who attended the Sessions here in Adelaide I feel you would agree that despite the cold!! it was a successful week with the culmination of the Installation and Dinner on the Saturday followed by the Thanks-giving Service on the Sunday.

If you have not already checked the Website (member area) the Official Photographs are now listed and available for copy. Please go in and have a look. I hope a lot of you took the opportunity to go to the Photo Booth on the Saturday night. The feedback I received was, it is exactly what was needed to add that extra bit of fun to the evening. Those candid photo's will be the fun reminder of your visit to South Australia.

The South Australian members were proud of their achievements in being able to host the Seventeenth Biennial sessions and I have thanked them for all their hard work as it was rewarded by the numerous praises they received from different members.

I now want to take this opportunity to thank both personally, and on behalf of the South Australian members, those who assisted us both before and during the Sessions.

To the members who added extra weight to their luggage when returning from the Philippines by

bringing back some of our Session bags....that was a huge sacrifice as I know how much trouble I have in not going over the required baggage weight set by the airlines.

For those who provided additional raffle prizes or assisted in any way - THANK YOU to you ALL.

It is now time to start looking at the Invitations we have already received to see which ones we can accept. Please if we are not able to attend now, there is always next year. We would dearly love to be able to attend as many Chapters as we can time permitting.

Last Friday I attended the launch of SA/NT Masonic Charities and spoke to several of the masonic members who did attend our Installation and they all commented on how impressed they were by the proceedings but more importantly how friendly everyone was.

I would like to ask members, especially all those have not previously been a Grand Representative, to consider applying to become one. The Application forms are under Forms on our Website or you can ask your Chapter Secretary for one. *All members are eligible to apply.* It is also OK to reapply if you have previously had a commission. You can gain so much enjoyment of corresponding with an overseas jurisdiction and, if possible, travel to their sessions along with encouraging them to Travel to our Shores remember our next Sessions are ONLY two years away in Sydney.

Star Friendship,
Blanche Watt
Most Worthy Grand Matron

Most Worthy Grand Patron

Dear Sister and Brothers

The 17th Biennial Session has now passed into history and I congratulate the members who are continuing in office, those sisters selected to be star points and those on the United Grand Committee and various sub-committees. To those new to United Grand Office welcome and I wish you all the best in your new roles and every success as you move up through the various offices.

The members from South Australia are to be congratulated on the manner in which they prepared for and carried out their tasks at the 17th Biennial Session held in Adelaide.

The Steering Committee for the 18th Biennial Session in 2021 is busy with the myriad tasks (other than fund raising) which are required behind the scenes to ensure all goes well.

Thank you, members of the Order for your attendance and robust discussion of matters put before the United Grand Chapter.

Please remember evolution not revolution.

Sister Blanche Watt and I are looking forward to sharing the next two years with you as we move about the country.

Our first visit was to the MWGM's Chapter Sunny South where we were made most welcome by the new Worthy Matron and Worthy Patron and members. We were presented with a wombat, the state animal emblem. A number of visitors from interstate and overseas enjoyed a lovely evening.

I recently attended the Illawarra District Committee Dinner Dance held at the Masonic Club at Mortdale. I thank the WDGM & WDGP for the invitation to attend, as this is my District and my first outing in NSW/ACT.

The MWGM and I have received a number of invitations to visit Chapters and we have sent our first visitation list out and this will be adjusted as necessary.

I will be travelling south to the Annual Meeting and Installation of the Grand Chapter of Victoria on the 19th and 20th of July at the new Bayside Masonic Centre and I am looking forward to meeting with members in that state...it will also be an opportunity to carry out some administrative tasks.

Recently my mother Chapter Woonona, conducted an open meeting with Wollongong Chapter at the Bulli Masonic Centre and it had a positive result of raising our profile in the area as well as attracting membership enquiries. A lot of hard work carried out by the membership committee.

I thank the Webmaster for recent updates to the site and placing photos from Adelaide in the members section. Please visit the members area and update yourself with the excellent information contained therein.

Our Charity for this Biennial Term is Cure Cancer Research. You will hear more as we visit across Australia.

Yours in star love.

Paul A. Smith,
Most Worthy Grand Patron.

WORTHY GRAND SESSIONS CO ORDINATOR.

My report on the Seventeenth Biennial Session of The United Grand Chapter of Australia.

We look forward to the session for so long and suddenly it is upon us, and then we can reflect on all the planning and happenings taken place in just over a week.

The Venue we had in Adelaide was certainly large enough for our numbers, however the one disappointment was there was no heating, unfortunately the committee members had the most time to sit in the cold. Quite a few got colds, etc. However, the Management tried to remedy the matter by bringing in large mobile heaters.

The Buses used to get people from their accommodation to the venue worked out well and the company fitted in with us regarding times, I think everyone did get transport to their specific function.

The Coach Tour was a great success, nothing but good reports on that, albeit we did not have the usual numbers, but I am sure we will next time.

The Grand Representatives lunch was very successful, and lots of people met up with their counterparts. I know some overseas people made themselves known to me and I pointed them in the direction of their counterparts. The President and Secretary did a wonderful job of fitting people into places.

The Formal opening was a moving and lovely day, another milestone in our history, this was well attended and enjoyed by everyone. The dinner was also enjoyed.

The Business Sessions was conducted well by Sister Helen McLaughlan Most Worthy Grand Matron, and Brother Michael Struthers Most Worthy Grand Patron. A few surprises along the way, but that is why we do our business in a democratic way. The lunch was sufficient for those who ordered it.

We welcomed all our Invited guests for the Installation, it was a delight to see them all in their different Masonic regalia, also the Rainbow Girls who attended. The ceremony was then conducted in a

proficient and pleasant manner by Sister Helen McLaughlan and her team.

Following this, the banquet was relaxing and time for everyone to enjoy themselves, this was well attended by family and friends. We certainly need them to boost our numbers.

To close our Session, our Church Service on Sunday was conducted by Rev. John Watson, followed by morning tea.

Congratulations to Sister Helen McLaughlan, Brother Michael Struthers, on their running the Session, also to Sister Blanche Watt Most Worthy Grand Matron, Brother Paul Smith Most Worthy Grand Patron on attaining this position. I wish you and your office bearers a very happy and successful term of office.

Yours in Star Friendship,

Sister Evelyn Hood PMWGM

SYDNEY DISTRICT GRAND COMMITTEE

Dear Sisters & Brothers,
We start March with the Installation of the Grand Chapter of NSW & ACT.

I was also able to attend the Order of the Amaranth. I have never been to one of their meetings and I was surprised on how different it was in some ways and how much it was similar.

The Sydney District Grand Committee members have all been installed and I have been to all the Chapters in the District to complete all the Official Visits.

Wallsend celebrated their 70th Birthday which was special for me as this January I celebrated my 70th Birthday. It was a lovely meeting with the Worthy Grand Matron of Grand Chapter of NSW & ACT also in attendance. It was followed by a Dinner at the local club which was nice. I am so happy that a member of Wallsend invited myself and my travelling companion

to stay the night, so I didn't have to drive home after the dinner. Thank you.

There have been several Socials and Meetings. I have enjoyed a visit to Ettalong and a Barbeque with the Sydney District Grand Committee. Also, I was invited to Illawarra Daylight Chapter's Mother's Day meeting along with the Worthy Grand Matron, the Illawarra District Grand Matron and Parramatta District Grand Matron. It was a lovely meeting and it seem like I was home as I am a member of Illawarra Daylight Chapter.

The Biennale Session in Adelaide in June was interesting and informative. The P&P Grand Reps Luncheon was a chance to meet & greet the overseas visitors and catch up with some of our interstate members. Not all goes to plan. One of my travelling companions ended up in hospital, so missed most of the events. We travelled home slowly, and all are in recovery mode, get well, we need every member.

ILLAWARRA DAYLIGHT CHAPTER NO 220

Hello Dear Readers, once more it is time to report to our Editors of both the NSW Newsletter and the Queensland Star. I do like to keep our Chapter reported and as I sit to do just that, I wonder where to start. Our Chapter is still doing well and sometimes has to rely on visitors to help out as do the Chapters some of our members visit and that is what we need to do. There has been a lot of illness especially the

dreaded flu which has affected many and so we hope all those who attended the United Grand Sessions in Adelaide have now made a good recovery. How very disappointed I was not to be present for it is the first Session I have missed since 1985 and I just knew my call up at the Public Hospital would come whilst our Sessions were about to be held and having waited 11 months, I had no choice but to accept. I am making a good recovery on my back surgery and am now able to drive which is a blessing after 6 weeks. I send our Chapter's best wishes to our WG Organist Sister Gillian Mason in Queensland who also had to miss the Sessions due to pending surgery. I have had many reports and shall be anxious to receive the official documents in due course.

Our Chapter celebrates its 16th Birthday in September so we look forward to having some visitors come to celebrate with us. As I type and it is 10 July, may we all remember our beloved Order's Birthday when we instituted the first Chapter in Queensland in 1912, 107 years ago!. Times have certainly changed but we must still band together and hope for a brighter future for many years to come. We thank those who have gone before us to pave the way and trust that we may continue to enjoy our membership for many more years.

I leave you with this message

*To wish upon a Star is more than a wish
It is a prayer
May its rays light your pathway and keep you in
God's care*

God's Blessings to you all,

Dear Margret herewith a few words that you may be able to use for the newsletter.

I will try and send a few your way as I feel like writing
Regards Eric.

Thank you, Eric. Your writing has inspired us and caused many to ponder upon the journey of our Order. Editor.

We need your help and now.

There are many things to ponder as we look in retrospect, at the years of help the Order has received.

Of the kindly ways of caring with effort so expressed, while the duty to our Chapter is perceived.

So look with good example to follow is to sample, and all the need good purpose will so bring, as we say a little thanks for effort passed along let's raise our voice in harmony to sing.

May the light of all good reason still guide us on our way, as we travel down life's pathway of this time.

With a smile, a happy nature and wisdom so to spare, will guide all our Chapters in their climb.

May all grow and build and flourish teaching reaching far, while ever sunshine lights the world of day, good thought and application through every generation, will guide all our Chapters on their way.

So members use your thinking with all together linking will show good work and effort here to stay.

To establish movement forward achievements great and small will show others by example it's the way.

May our colours lift in meaning with light and lustre too, to spread its covering mantle near and far.

So help and take an office your presence will so glow, for the light now in the East is our guiding Eastern Star.

WALLSEND CHAPTER.

On Saturday 25th May 2019 the members of Wallsend Chapter No.98 celebrated the 70th Birthday of the Chapter.

Our meeting was attended by the Worthy Grand Matron Sister Lorna Dunkley, Worthy Grand Patron Brother Graham Smith, PWGM's, PWGP's & the Grand Office Bearers of the Grand Chapter of NSW & ACT Inc. Also in attendance was the Worthy District Grand Matron of the Sydney District Grand Committee Sister Christine McDonnell & members of the SDG Committee. We also had 5 presiding Worthy Matrons & 1 presiding Worthy Patron.

The meeting was full of many beautiful services. The Welcome Service was prepared by Sister Patricia Manefield, Mother's Day Service by Sister Margaret Bryden, while the Birthday Service was in the hands of the Worthy Matron. During the Birthday Service, the names of all members who had signed the Role Book were remembered & their names placed on the Remembrance Tree. In total 319 members had been initiated or affiliated over the past 70 years. Over the past 70 years Wallsend Chapter has only had one home base & we still meet in the Wallsend Masonic Hall to this day.

Our Past Worthy Matron's & Past Worthy Patron's Service was conducted by our Treasurer Sister Donna Hampton. The positions for the service were filled by members of Wallsend who have not reached the position of Worthy Matron & the friends of Wallsend Chapter. Our PWMs & PWP's were seated in the West during the service. This service was a wonderful tribute to our PWMs & PWP's & our thanks to Sister Hampton for presenting such a beautiful service.

As well as many visitors we were able to extend a very warm welcome to Sister Anne Brogden (Perth) & Sister Karen Yeates (Wagga Wagga), who because of distance are unable to be with us as often as they would like.

Following the meeting we all adjourned to Wallsend Diggers (RSL) for our celebratory dinner, which was also attended by many of our family members. Our grateful thanks to all who attended & made this day so special.

The following weekend many of us were off to Adelaide for the UGCA Sessions, where Brother Alan Paterson was installed as WG Jnr Chaplain. We offer you our congratulations & also want to say how proud we are of you.

Also congratulations to Brother Paul Smith Most Worthy Grand Patron & although you are representing Western Australia, Wallsend is very proud of you & send congratulations for a happy & successful 2 years.

The sessions went off very well, great to catch up with the friends you don't see on a regular basis & wonderful to have our friends from Texas here to celebrate with us.

Best wishes to all for the coming year.

PERTH CHAPTER, WESTERN AUSTRALIA

Sister Faye Ward PMWGM has faithfully submitted an article about the happens of Perth & Carnation-Applecross Chapters for this Newsletter over many years and this time round had fallen to the dreaded "flu" in Adelaide. We wish everyone a complete & speedy recovery. Humour is always the best medicine.

From Faye -

*Old timers should stay fit – they say we should exercise and stay fit as long as we can!!! My sentiments exactly ----- **unfortunately**.

*Walking can add minutes to your life. This enables you at 85 years old to spend an additional 5 months in a Nursing Home at \$5000 per month.

*I joined a health club last year, spent about \$400. Haven't lost a kilo. Apparently, you have to go there.

*I like long walks, especially when they are taken by people who annoy me.

*If you are going to try cross-country skiing, start with a small country.

RAINBOW WELCOMED THE MASONIC FAMILY.

During the recent United Grand Chapter of Australia Session held in Adelaide the Rainbow Girls invited members of the Masonic Family to come together and share an insight into their organisations. There are many Associated Order, however we invited Mr Geoff Tucker PGM and Chairman of the Hawthorn Masonic Trust and Mr Allan Henderson, Most Illustrious Grand Sovereign, Red Cross of Constantine as a recognition of their interest and support to Rainbow.

The meeting was open as per the “**Pledge Ritual**” which is available for girls from 7 to 10 years and gives them an idea of the format of Rainbow meetings.

This was followed by “**A Baby Dedication**” Ceremony for Elsie the daughter of our Mother Advisor and Past Grand Worthy Advisor, Kimberly (Rodeghiero) Sommers. This was a first for Friendship-Dilkara Assembly and we thank Sister Denise Dickson, Supreme Deputy of Queensland for her input into the

Service. It was just delightful see Elsie chew on her little gift during the proceedings.

Mr Geoff Tucker spoke giving some history of “**Freemasonry in South Australia.**” Many of us learnt from this presentation that Freemasonry arrived in South Australia on the Bounty, the first settler ship into Adelaide.

The girls then presented a short Service which explained their “**Jewel of Office**” and of course, coincidentally some jewels are similar to those used in other Masonic Orders.

Mr Allan Henderson provided a great talk about the “**Red Cross of Constantine,**” once he was able to complete his full title. He is a very busy Mason and we thank him for sharing his time with the girls.

Sister Leila Rodchgiro presented the “**Rose Lecture**” to our girls who had not received it and once again Leila’s ritual presentation was wonderful and an example for all girls to follow.

Sister Barbara Hartman’s “**Explanation of OES**” is one of the best I have seen and will help our young members to know more about one of their sponsoring organisations.

At the conclusion of the meeting the usual photo session took place followed by a very informal supper.
